LANGLEY BY-LAWS.

BY-LAW NO. 52.

BE IT enacted, by the Reeve and Council of the Corporation of the Township of Langley, as follows:—

1. From and after the passing of this By-Law the Council of the said Municipality shall nominate three Councillors from among themselves, who shall be known as the "Board of Health," and who shall have general supervision over the health of the said Municipality, and all necessary powers to carry this By-Law into effect.

2. Such Board of Health, or any two of them, may, in the daytime, as often as they think necessary, enter into and upon any premises in the said Municipality and examine such premises.

3. If, upon such examination, they find that the premises are in a filthy or unclean state, or that any matter or thing is there which may, in their opinion, endanger the public health, they, or any two of them, may order the proprietor or occupant of the premises to cleanse the same and to remove what is so found there.

4. In case the proprietor or occupant of the premises neglects or refuses to obey their directions, such members of the Board of Health may call to their assistance all constables, and any other persons they think fit, and may enter on the premises and cleanse the same, and remove therefrom and destroy what in their opinion it is necessary to remove or destroy for the preservation of the public health.

5. Such Board of Health, or a majority of them, may also appoint a person to be known as the "Health Officer," and may authorize such officer to enter in and upon any house, outhouse or premises in the daytime, for the purpose of making enquiry and examination with respect to the health of any person therein, &c., &c., and in the event of any sickness or disease being apparent to such Health Officer, then he shall be empowered to call to his aid a medical practitioner to determine the nature of such sickness or disease, who may also, upon the report in writing of such medical practitioner recommending the same, cause any person found therein affected with a contagious or infectious disease to be removed to some hospital or other proper place; but no such removal shall take place unless the said medical practitioner shall state in his report that such person can be removed without danger to life, and that such removal is necessary in order to guard against the spread of such disease to the adjoining house or houses.

6. Such Health Officer shall have in his discretion full power to place in another building or tent all persons who may have been exposed to a contagious or infectious disease, and shall cause them to be supplied with all necessaries until the period of incubation of the disease shall have elapsed, and no such person shall go, or be permitted to go, abroad until he or she has given satisfactory proof of successful vaccination within the preceding seven years, or shall have obtained a medical certificate of susceptibility to the vaccine disease, nor until the clothing or effects worn or carried by or with him or her have been properly disinfected, if the same have been exposed to contagion.

7. To assist the Health Officer he shall have full power to employ persons to be nurses, sanitary policemen, and otherwise to aid in the prevention of the spread of the disease, and may himself give and enforce such reasonable directions for the same purpose as to him may seem expedient, and the Board of Health shall see that all articles and necessaries required by the Health Officer are furnished.

8. In order to prevent or suppress any actual or anticipated epidemic, any household of the Municipality being aware of an outbreak of any contagious or infectious disease, or any disease supposed to be contagious, in his or her house, shall immediately report the facts to the Board of Health, and such Board of Health, or a majority of them, may make, give, and vary orders from time to time, enforceable against such person or persons and in such manner as they or a majority of them shall find necessary or expedient, with full power to enforce such quarantine as may seem necessary, and may for the like purpose order and direct that all residents within the said Municipality shall attend before the medical officer or the person appointed to perform such vaccination of the said Municipality, at such place and at such time or times as they may direct for vaccination, or before the person duly appointed for such vaccination; pro-

vided that notice of such order shall be given by publication in one or more newspapers published within the said Municipality, or if there be no such newspaper, then in a newspaper published nearest to the said Municipality also by public notices posted in all public places of the Municipality for the period of seven days.

9. In the case of animals afflicted with any infectious disease the Board of Health may direct the said Health Officer to inspect the same, and he, if in doubt as to the nature of the disease, shall have power to employ a duly qualified veterinary surgeon to assist him in forming a correct diagnosis of the case, and upon his written report shall have power to take immediate action, and may order the same to be destroyed or removed, as to them shall seem expedient.

10. Whoever shall wilfully obstruct any member of the Board of Health, or Health Officer, or person duly employed in the execution of this By-Law, or neglect or refuse to obey any order of the Board of Health lawfully given under this By-Law, or who shall neglect to report the existence of disease in his or her house, as provided in section six of this By-Law, or in any way commit any wilful breach or contravention of part of any provision of this By-Law, shall be punishable summarily before any two Justices of the Peace, upon information under oath and upon conviction, by any fine not exceeding, for a first offence, one hundred dollars, and for a second offence any sum not exceeding two hundred dollars together.

11. Every penalty imposed by this By-Law in pursuance thereof, may, with the cost of conviction, be levied by distress and sale of the goods and chattels of any offender, and in default of payment of such penalty and costs, and any part thereof, then by imprisonment of such offender for any term not exceeding three calendar months in one of Her Majesty's gaols.

12.
